

FEB. 3-5 | ARLINGTON, VA

ABOUT THE CONFERENCE

Are you and your organization ready for the possibilities on the horizon?

Nearly 800,000 immigrants have already been able to improve their lives and avoid deportation under Deferred Action for Childhood Arrivals (DACA). Should the Supreme Court clear the way for DACA's expansion and the opening of Deferred Action for Parents of Americans and Lawful Permanent Residents (DAPA), 5 million or more people may be able to join them.

At the 2nd annual Ready America conference Feb. 3-5, service providers, grassroots organizers, advocates and legal experts will gather to re-energize, share promising practices and make plans for what may lie ahead.

This year's registration cap is only 250 participants, so register as soon as possible!
